Amount:

The total number of warrants will be equal to 20% of the Maximum Loan amount divided by the Exercise Price per Share, provided that the number of Warrants will be capped at 20% of the issued and outstanding common equity interests of the company, before giving effect to the exercise of the Warrants ("The Warrant Limit").

Additional Notes:

In the event that the Warrant Limit reduces the number of Warrants issuable to the UST, the UST will receive Additional Notes in an amount equal to 6.67% of the Maximum Loan Amount less a sum equal to one-third of the number of Warrants actually granted to the UST times the Exercise Price Per Share.

Term:

Perpetual

Exercisability:

Immediately exercisable, in whole or in part, at 100% of its issue price plus all accrued and unpaid dividends.

Transferability:

The Warrants will not be subject to any contractual restrictions on transfer. The Company will file a shelf registration statement covering the Warrants and the Equity Interests underlying the Warrants as promptly as practicable after the date of the investment and, if necessary, shall take all action required to cause such shelf registration statement to be declared effective as soon as possible; provided, however, that if the Company is not subject to the periodic reporting

Voting: Prior to the occurrence of a Termination Event or an Event of Default, the UST will agree not to exercise voting power with respect to any shares of Equity Interests of the Company issued to it upon exercise of the Warrants.

Consent: In the event that the Company does not have sufficient available authorized shares of Equity Interests to reserve for issuance upon exercise of the Warrants and/or equityholder approval is required for such issuance under applicable stock exchange rules, the Company will call a meeting of its equity holders as soon as practicable after the date of this investment to increase the number of authorized shares of Equity Interests and/or comply with such exchange rules, and to take any other measures deemed by the UST to be necessary to allow the exercise of Warrants into Equity Interests.

Substitution: In the event that the Company is not listed or traded at any time on a national securities exchange or securities association, or the consent of the Company's stockholders described above has not been received within 6 months after the issuance date of the Warrants, the Warrants will be exchangeable, at the option of the UST, for senior term debt or another economic instrument or security of the Company such that the UST is appropriately compensated for the value of the Warrants, as determined by the UST.

Optional Warrant Redemption: At any time after the aggregate outstanding Advances, with interest thereon at the applicable Interest Rate, fees, expenses, indemnities and other amounts due to Lender shall have been paid in full, the Company shall have the right to repurchase any equity security of the Company held by the UST at fair market value or, if no recognized market for such securities exists at the time of prepayment, at the value attributed to such securities by an independent third party appraiser reasonably acceptable to Lender.

Private Companies: If the Company is privately held, in lieu of warrants, the UST will receive additional notes ("Additional Notes") with the same priority and general terms as the facility, in an amount equal to 6.67% of the Maximum Loan Amount.

Not a Commitment: This term sheet is a summary of indicative terms and conditions purely for discussion purposes, does not constitute a commitment on the part of Lender and is not binding on Lender. All terms described herein are subject to due diligence satisfactory to Lender, receipt of all appropriate credit and other required internal and external approvals, final documentation satisfactory in form and substance to Lender and its legal counsel.
